## Balgonie Castle Closed to the Public

In February of 2019, Balgonie Castle was closed due to the 88 year old Laird's ill health. Raymond Stanley Morris is a much beloved figure, and we wish him a speedy recovery.

When we learn of it reopening, we will post a notice on the Part 1 OutlanderLinks Directory.

If such a notice has not yet been posted, check the Balgonie Castle website or Facebook page.
