And now we come to the *other* attraction in Drumnadrochit.

“Do you enjoy posing with fiberglass models of animals?”

If your answer is, “Oh, yes! It’s my favorite thing!” then, you must not miss Nessieland.

If you *don’t* have a penchant for photos ops with giant fiberglass animals, you likely will agree with us: Posing with cartoonish monster models and wandering through fiberglass-lined hallways that are being called, “caves,” is *not* a good way to spend your valuable time in Scotland.

So, here is our official recommendation:

Do *not* waste your time and money on Nessieland!
